

UPDATE FROM THE CHURCH COUNCIL

The Mt Zion Church Council met on Monday night and will continue to meet on a weekly basis until we get through this Coronavirus pandemic.

First of all, we really appreciate all the efforts of our pastors and staff for the long hours they are working to keep us connected during this new normal. We have all been forced to embrace the virtual world and to learn new technologies that allow for the virtual connection, but this method is working and we all look forward to the messages and devotions that are shared.

Several Sunday school classes also participated last week in the virtual study of the 'Sinning Like a Christian' series. Thanks to Ken Grimme and Laura Wheeler for leading these classes. More opportunities for these types of studies are in the works and details will be communicated when plans are finalized.

Please remember that our church campus is closed at this time for all activities. Our top priority is for the health of our staff and congregation, so we need to do our part to support this action, and look forward to the time when we can all reconvene at our church facility.

Please remember to contact the church if you need any supplies. Jeni McCord is the contact person and will coordinate this effort should our members be unable to get out for needed items. Her email address is jeni.mccord@mtzionumc.org.

Thank you and prayers for you as we get through this difficult time.
